The term 'Public Highway' includes the road and adjacent pavements.

This application form is to be returned to the Chief Technical Officer at the Town Hall at least seven days before the skip is placed on the highway. Placement of a skip on the highway is not to commence until permission has been given.

Please retain a copy of this for your records.

Conditions:

1. This permission shall be operative for a specified period and at the end of that period the builders' skip shall be removed from the highway and the site thereof left in a clean and tidy condition and any damage to the highway repaired to the satisfaction of the Chief Technical Officer or his representative.
2. The skip is to be properly lit at night.
3. Any articles placed in the skip must not overhang the sides of the skip so as to cause danger to pedestrians, cyclists or vehicles.
4. It is your responsibility to contact the carriers and all emergency services to ensure that access is provided at all times.
