Introduction

1. Section 88P of the School Standards and Framework Act 1998 requires Local Authorities to make an annual report to the adjudicator.
2. The School Admissions Code (the Code) at paragraph 6 sets out the requirements for reports by local authorities. Paragraph 3.23 specifies what must be included in the report to the adjudicator and makes provision for the local authority to include any other local issues.
3. The remit letter from the Secretary of State for Education to the Chief Schools Adjudicator also makes reference to additional matters on which he wishes to have a report included in the Chief Adjudicator's annual report. Rather than undertake a separate exercise in which information is sought from local authorities, you are asked to include any relevant information in your report to the adjudicator.

For ease of reference the legislation is given below.
