

ST MARTINS HOUSEHOLD WASTE COLLECTION

The Council of the Isles of Scilly requires that the following is carried out at all times to avoid waste collections being refused:

- Your rubbish is your responsibility until it is collected.
- All waste must be contained within disposable plastic sacks that are tied at the top.
- If you put your rubbish in bins, it still needs to be bagged first.
- Bags should be placed at the boundary of your property for collection. If you require assistance in putting your bags out please contact 01720 424450.
- Your waste is collected by hand. Sharp objects can cut through refuse sacks and cause injury. Please wrap these items carefully and if possible put them in a solid, labelled box.
- Glass bottles and jars can be recycled at the Waste Site. Please do not put these items in your refuse sacks for collection.

How do I report a missed rubbish collection?

Please call James Morton on 07786 535 470

Is there anything which can't be collected?

We can only collect normal household waste. We can't collect bulky waste, electrical items or household DIY waste. Please take these items at the Waste Site. We do not accept garden waste.

For more information on waste and recycling services, please contact the Infrastructure Department on 01720 424450 or email Infrastructure@scilly.gov.uk
