OPERATIONAL COVER FOR BRYHER WASTE SITE

The Waste and Recycling Team requires operational cover for the Bryher Waste Site, as well as the provision for the transportation of waste and recycling materials from the Bryher Waste Site, as part of the island's waste management.

The successful contractor will need to:

- Open the waste site and be in attendance for the acceptance of waste and recycling materials from the public for 3 hours per week.
- Ensure waste and recycling is adequately accepted, separated and containerised ready for transportation and shipment to St Mary's,
- Liaise with the Isles of Scilly Steamship Company to arrange the transfer of waste/recyclates to St Marys when the containers are full.
- Liaise with the Porthmellon Waste Site Supervisor to coordinate the acceptance of waste on St Marys.
- Transport all waste and recycling materials from the Bryher Waste Site to the Quay to meet the launch

The successful contractor will be required to provide their own tractor and trailer or other suitable vehicle and should hold suitable insurance. Please ensure a copy of insurance is supplied with your quote.

This commencement date for the works is the 4th of November for a period of **1 month**.

Your quote should include:

- A total fixed price for the weekly opening of the waste site and associated management, sorting and containerisation of waste.
- The proposed opening times of the waste site.
- The price **per transfer** of waste from Bryher Waste Transfer Site to the Launch.

Quotes should be sent to the Waste & Recycling Officer by email to infrastructure@scilly.gov.uk, or by hard copy to the Town Hall. The deadline for quotes is **9am** on the **2nd November 2015**.

If you would like any more information please contact Rebecca Williams, on 01720 424315 or by email to rwilliams@scilly.gov.uk
