All areas of proposed grass to be seeded with a hard wearing amenity seed mix EM 6F or other approved. To be sown in line with suppliers guidelines.

Proposed Tree
14 - 16 girth with tree anchors
Refer to Planting schedule for details.

Proposed Shrub Planting
10 Litre pots to be planted as shown on the plan.
Refer to Planting schedule for details.

CARN GWAVEL PRIMARY SCHOOL					
Ornamental planting list					
Code	Species	Pot Size	Density M²	Notes	Number
HHH	Hedera Helix 'Hibernica'	5L	4	Full pot	46
KN	Kniphofia Nobilis	2L	3	Full pot	12
LH	Lavandula angustifolia Hidocote	5L	1	Full pot	9
TP	Thymus Polegio	5L	3	Full pot	36
Shrub planting list					
VO	Vibrum Opulus	10L		Full pot	10
Tree planting list					
PAP	Prunus Avium Plena	14 - 16 girth		Full pot	1
PP	Prunus Padus	14 - 16 girth		Full pot	2

Note:

- Drawing to be read in conjunction with all other relevant drawings and documents.
- Main contractor to determine exact location of services/drainage, this should to be confirmed on site prior to commencement of works to avoid tree pit / services conflicts.
- Contractor to allow for white lining of parking bays.
- All foundations and base formations to Engineers design and specifications.
- All drainage details to Civil Engineers specification and details.
- All manhole covers within paved areas to be recessed. Manhole covers are to withstand the appropriate loading class within any given area, manufacture and product details are to be confirmed with the Engineer and Landscape Architect.
- External Lighting to Engineers detail and specification.
- This drawing assumes that the existing site subsoil could be re-used. However this is subject to detailed testing and analysis of the subsoil. If the subsoil is not suitable, imported subsoil will be required in accordance with the soft and base landscape specification.
- All treatment of softwork areas to comply to BS4428 Code of Practice for general landscape operations.
- All native shrub & hedge species plant type supplied for designated areas are to be determined by the proposed planting season, (ie bareroot or container grown stock).
- Works described on this drawing include operations within or close to the root protection areas of very important trees. Excavation to be carried out in accordance with Arboricultural survey requirements. If in doubt, STOP and seek clarification.
