Dog and Puppy Training Group Session

This group dog training session over 2 days is designed to help build a better relationship between you and your dog. During the course you will look at some of the common problems people come across with their dogs and how to best deal with them or stop them developing in the first place. The sessions are suitable for all ages and abilities of dogs and will be designed around the owner and dog's individual needs.

Scent-work for Dogs- Taster Session

Within your taster workshop we explore the main aspects of training your dog in scent detection in how to increase your dog's desire to seek and locate, how to train your dog to recognise a target scent, and an insight into indication behaviours. You and your dog will have plenty of opportunities for practical exercises and for you to learn new handling skills. It is a fun workshop where you can step into your dogs scent world and see just how amazing your dog's nose truly is!

Friday 22nd March 5.30pm- 6.30pm
