

Inter-Agency Agreement

We want to make a difference to children's lives.

We put children first.

We will work together.

We will talk to each other.

We will respect and utilise each other's skills.

We will be focussed on one goal.

We will respect each other's professions, commitments and constraints.

We will be transparent in working with each other and with families.

We will be held to account and accept and give respectful professional challenge.

We will be trusted by children and families to maintain privacy and dignity.

We will do what we say we will do.

We will consider the impact of an Island context on children and professional relationships.

We will maintain accurate records.

We will commit to shared information management.
