

Welcome to Active Scilly and Children Services

Easter Activities

This Easter we're putting on a whole host of activities to keep Scilly's children busy. From exploring the world of Sea Birds to dancing the days away at Musical Theatre workshops, we are sure you'll find something of interest.

All sessions are open to visiting and local children a-like. Some of our sessions require you to attend all day, whilst others you can pick and choose from. Some sessions may have specific age ranges, different times or venues. These are detailed within each advertisement.

There is consent and booking form in the middle pages of this booklet. These are needed for booking your children onto any activity. In order to make life as easy as possible we are asking for all bookings for all sessions to be made at the Wellbeing Centre (Sports Hall).

For more information on any of these sessions please visit our website www.scilly.gov.uk/activescilly call the sports hall on 01720 424373 or visit our Facebook page.
