

Energy Advice, IT Support & More...

Wed 2nd - Fri 4th November

For residents of the Isles of Scilly

Energy Home Visits

From Wed 2nd - Fri 4th November

We can visit your home, with a package of support available to help you keep warm. We can help with heating queries, finding the best energy tariff for you, signing up for the Priority Services Register, meter issues, bills, debts and much, much more.

Get Confident Online/Energy Drop-ins at St Mary's Library

*Wed 2nd November 2 - 4pm, Thurs 3rd November 10 am - 4pm,
Fri 4th November 10am - 12pm*

Drop-in computer sessions: informal, friendly and helpful advice and support on hand, for everything from staying safe online, saving money, email, editing photos, social media, Skype and Facetime or simply gaining confidence online. You can also bring along your computer, laptop, tablet and get it fixed! **If you are not able to attend, we may be able to do a home visit.**

Information and Advice Event at Wesleyan Chapel

Thursday 3rd November, 10.00am - 5.00pm

Bring your energy bill and we will see if we can help you save money. Last year we saved someone over £1000 on their energy bill - see what you could save! We also have some freebies available to give away! **Plus, if you bring along your bill, you can enter into a prize draw to win a tablet computer.**

If you run a group, let us know. We could offer an advice workshop just for your group, which will give you time for a general 'question and answer' session along with an informal and short presentation. We understand that some families may be away this week, but we are planning another visit in a few months' time so if you register your interest now we will keep you posted.

Please pop along to see us!

To book a slot or home visit please call Sharon 01872 243535, email sharon.davey@cornwallrcc.org.uk or Jeanette Persich 01720 422148, email jpersich@scilly.gov.uk
