Dear Gemma,

Many thanks for your email.

Please find attached a bat survey I undertook on July 2nd 2013 for Well Cross Yard, Well Cross, P/07/068.

It is my understanding the current application (P/14/009 Well Cross, Well Cross Yard) has changed very little from the original (P/07/068). I therefore conclude that the bat survey attached still stands and I have no amendments to make.

Kind regards,
Rebecca
