**Subject:** Discharge of conditions at Wellcross Yard

Dear Peter

I am in receipt of a document called 'Historic Building Record' produced by RTP chartered surveyors. Please could you let me know whether this has been submitted informally for comments or formally to apply to discharge condition 13 of P/14/009/FUL?

If this is a formal application to discharge conditions then, as per my letter of 1<sup>st</sup> October (to Trewin Design Architects) I would need to ask for a further £97 to process this application. Unfortunately each application made to a Local Authority to discharge conditions attracts a fee.

Regards  
Lisa
