RECEIVED BY THE  
PLANNING DEPARTMENT

14 APR 2015

Dear Mrs. Walton,

Ref. P/15/030/FVL.

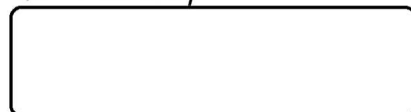

Erection of 3 Bed. dwelling, Westward Farm, St. Agnes.

Thank you for your letter dated 8<sup>th</sup> April 2015 regards  
the above planning application.

We fully support the application and having seen  
the proposed drawings believe that the house can only  
enhance the small community at Middle town. The fact  
that the net population of the island wouldn't increase  
can only be an added benefit.

My wife and I run the Shop and Post Office in  
St. Agnes for over twelve years and know only too well  
how important it is to live within close proximity  
to the business which this house would enable Niki  
and Ross to do.

Yours sincerely

(Jackie & Doug Pratt)
