Planning reference number P/15/044/ADV

Dear Sirs,

We write in support of the above Planning Application for the erection of a freestanding fingerpost sign submitted by Mark Prebble of St Marys Bike Hire.

We believe this will be a very useful sign for visitors to the islands who are often unsure about the location of various galleries, workshops and studios.

It is our intention to have our gallery as one of the signpost destinations which would help visitors to find us. Signage is very important to local businesses such as ours which are off the beaten track. Following conversations with visitors to the Gallery, we know that the new island signs are appreciated and this proposal will match and blend in with the existing road signs.

We hope the permission will be passed and the new sign erected soon.

Yours faithfully

S. Morris . *L.A. Morris*
