Dear Sirs

Ref: P/15/046/FUL

I am writing in support of the change of use of this accommodation to a small holiday let to enable the new owners of the property to supplement their income and therefore become permanent residents on Bryher. Bryher residents are all aware that it has been in constant use for a number of years (certainly since I moved from Tresco to Bryher in 1977 and probably longer).

Recently there has been a lot of change on Bryher with the majority of properties purchased being used as second homes. I understand that Mr and Mrs Spence intend to reside here throughout the year and this is to be welcomed. Also, being in the holiday trade myself, I think there is a need for some smaller letting properties which will undoubtedly add to the general economy of the island.

Yours faithfully

Gill Dan
