Dear Planners,

Please find attached proposed alterations for change of use for Rattler/The old carpenters workshop, Thorofare.

Due to the recent development of commercial units at Porthcressa and Porth Mellon, the demand for my rented office has gone, and I cannot find anyone to occupy the space below my flat. The current occupier has been asking for extra room so I propose to knock through a door in the dividing wall on the ground floor and create a bedroom/office and a store. This would require change of use to residential.

I look forward to hearing from you soon,

Eldred Banfield
