

STATEMENT BY MCFARLANDS DOWNS RESIDENTS CONCERNING PAST  
ACTIVITIES AT PENDRATHEN QUARRY, ST. MARY'S, ISLES OF SCILLY

OCTOBER 2015

Before 2012, when large quantities of construction and demolition waste arose from the Porthcressa construction site and the subsequent large scale importation of contaminated waste material from Moorwell waste facility, we were not aware of any noticeable or apparent activity in the quarry or on McFarlands Downs's lane from or to the disused quarry for years.

We do not recall any activity at the quarry or McFarlands Down lane that reflect the activities claimed by Mulciber Ltd, prior to 2012 regular or otherwise.

The quarry was disused and overgrown for most of the period in question before 2012.
