Dear Lisa,

Please can I just add to my earlier email the fact that nearly all of the other properties on this road have extended one way or another into their yards/gardens, therefore it seems rather unfair to refuse Roanokes extension.

Also I would like to reiterate what some other people have said which is the fact that nearly all the objecting neighbours are simply second home owners who are only in Scilly for a few months at a time.

Georgia and Adam are the only family that live full time in Scilly along that row.

Many thanks

Grace Goddard.
