Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) Order 2010

PERMISSION FOR DEVELOPMENT

Application No: P/17/049/FUL **Date Application Registered:** 30th June 2017

Applicant: Springfield Court (St Mary's) Ltd 2 Castle Cottages Old Town St Mary's Isles of Scilly TR21 0PE	Agent: Mr Paul Osborne Jus Limin Carn Thomas St Mary's Isles of Scilly TR21 OPT
--	---

Site Address: Springfield Court Church Street Hugh Town St Mary's Isles of Scilly

Proposal: Replace existing asbestos containing roof tiles with fibre cement tiles, repaint front elevation windows and doors and replace wood cladding on dormers with wood effect cladding.

In pursuance of their powers under the above act, the Council hereby **PERMIT** the above development to be carried out in accordance with the following Conditions:

C1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: In accordance with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

C2 The development hereby permitted, shall be carried out in accordance with the approved details only including:

- **The Location Plan**
- **Site Plan**
- **Proposed Works Document**

These are signed and stamped as APPROVED

Reason: For the clarity and avoidance of doubt and in the interests of the character and appearance of the Conservation Area, Area of Outstanding Natural Beauty and Heritage Coast in accordance with Policy 1 of the Isles of Scilly Local Plan 2005.

PRE-COMMENCEMENT CONDITION – Site Waste Management Plan

C3 Prior to the commencement of the approved development, a scheme including details of the sources of all building materials and the means/ location of disposal of all demolition material and all waste arising from building works, shall be submitted to and agreed in writing with the Planning Authority. The development shall thereafter proceed in strict accordance with the

approved scheme only.

Reason: This is a pre-commencement condition that requires details that were not submitted as part of the application, but are required to fully understand the impact upon landscape and management of waste, to be submitted and agreed by the Local Planning Authority. This is to ensure those characteristics which contribute to the status of the Isles of Scilly as a Conservation Area, Area of Outstanding Natural Beauty and Heritage Coast are not eroded by uncontrolled tipping of waste. In accordance with the requirements of Policy 1 of the Isles of Scilly Local Plan 2005.

- C4 The external materials used for the development, hereby permitted, shall accord with the material and colour samples submitted with the application on 27 June 2017 and shall be retained thereafter in accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority**

Reason: In the interest of visual amenity and the character and appearance of the development.

Further Information

1. In dealing with this application, the Council of the Isles of Scilly has actively sought to work with the applicants in a positive and proactive manner, in accordance with paragraphs 186 and 187 of the NPPF.
2. In accordance with the Town and Country Planning (fees for Application and Deemed Applications) (Amendment) (England) Regulations 2008 a fee is payable to discharge any condition(s) on this planning permission. The fee is £97 for each request to discharge condition(s). The fee is payable for each individual request made to the Local Planning Authority.
3. In accordance with the provisions of Section 96A of the Town and Country Planning Act which came into force on 1st October 2009, any amendments to the approved plans will require either a formal application for a non-material amendment (for which a fee of £28/£195 would be required) or the submission of a full planning application for a revised scheme. If the proposal relates to a Listed Building you will not be able to apply for a non-material amendment and a new application for a revised scheme will be required. Please discuss any proposed amendments with the Planning Officer.
4. Bat Informative: Care should therefore be taken during the work in removing the roof in case bats had gained entry by some means that we could not detect. If any bats should be discovered during the work, they must not be handled: work must stop immediately and advice sought from local bat wardens in the first instance (Mike & Anne Gurr, 422224) or, if none is available, The Bat Conservation Trust's National Bat Helpline on 0845 1300 228. The BCT's adviser for the South West Region is David Jackson.
