Dear Madam,

Planning Reference: P/17/053/FUL – land adjacent to the Park

I object to the above application. It is in a totally inappropriate and dangerous area and totally unsuitable for a fixed trading site. It is a dangerous place to have people queuing and cars parking haphazardly to collect their food, many people have narrowly missed being hit by cars as they do not even think that they are at a busy intersection, therefore this alone makes it a completely inappropriate (and I believe the most unpopular position in the March planning meeting).

The application form states the site is to be available from 12noon until 10pm, 365 days of the year – that is totally and utterly unacceptable and inconsistent with the statement of support which mentions the hours of 11am – 2pm and 6pm – 9pm from May until October, which are completely different times. You have 4 guesthouses very close to the site, never mind the rest of the area being self catering and also Park House, certainly none of my guests expect to be smelling burgers all day and night on their holiday.

Unfortunately for the Burger van, from my understanding, Phil has turned down Carn Thomas and his van has been made too big for his original, and excellent, pitch on the Old Quay – surely until this whole mess created entirely by your department can be sorted he should have to take what he is offered (which would now appear to be on the Quay) or not trade at all.
