Dear Dan and Robyn

Thanks for dropping in this morning to discuss your application. This is just to confirm that you are amending the current application P/18/008/FUL. This includes your corrections to the red line of the Location and Block Plan and to confirm that this is a material change of use of land only for ancillary boat hire use.

I have attached the amended plans for your reference and these are now on the website here: <http://www.scilly.gov.uk/planning-application/planning-application-p18002>

What I need you to do is reply to me to confirm you are happy with the changes and that the application title is now:

“A material change of use of land only for ancillary boat hire use”.

Many thanks
Lisa
