Dear Sir / Madam,

I would like to register my support for this planning application.

As a resident of Bryher, it is refreshing to see dilapidated and run down buildings have new life breathed into them to help not only raise bed availability on the islands, but also raise the standard of visitor accommodation.

It is of my humble opinion that the packing shed and glasshouse are currently in a very poor state of repair and would benefit from this sympathetic renovation.

Yours faithfully,

Phil Spence
