

-  Proposed Glamping Tent x 6
-  Application Boundary

Tents size shown (to scale) at 6m x 4m, timber deck size shown at 3.6m x 6.2m. Tent exterior colour illustrated (as shown) in 'Brunswick Green'. Refer to Design and Access Statement for further Information.

Tents to be installed as temporary structures during the summer tourist season April - October. All fixings, timber base structures and tents to be removed from site during winter period. Proposed tents to be installed in areas where existing ground cover vegetation has already been disturbed and away from permissive paths.

Proposed tents to be installed within existing vegetative structure to minimise loss to existing vegetation and trees. Surrounding vegetation to be retained and managed to filter views from adjoining permissive paths.
