

Planning Reference: P/18/052

Location: 2 Matthews Field, Church Road, Hugh Town, St Mary's

We have now viewed the amended plans for the extension on the first floor to the above property. We live in the adjoining property and feel that the proposed plans are both practical to our access requirements and sympathetic to our visual needs. Furthermore, we believe that the visual impact on the property and the surrounding areas would be enhanced.

We would therefore wish to support the application being made when it comes before the next planning committee meeting.

We trust this is in order.

Howard and Deb Cole

Cadwallon, Church Road, Hugh Town, St Mary's
