REFERENCE

P/18/070/TWA

WORKS PROPOSED:

Removal of self set Pittosporum the height of the roof growing from under house.

LOCATION:

20 Ennor Close, Old Town, St Mary's, Isles Of Scilly, TR21 0NL

Thank you for your notification for tree works in a Conservation Area dated 18th September 2018. I am writing to confirm that there is **no objection** to the above tree works. It is considered that the tree holds limited amenity value and that the proposed works are appropriate. The Council do not intend to protect this tree further through a Tree Preservation Order (TPO).

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the trees. The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours sincerely

Craig Dryden
