Dear Sirs

We and members of our family have taken our holidays on Bryher for many years now, latterly staying at the cottage named Atlanta which is situated opposite to Bank Cottage.

We wish to object to the proposed work and extension at Bank Cottage. The work proposed will impact upon the enjoyment of Atlanta by residents there. The increase in the height of the ridge of Bank Cottage is likely to significantly reduce the amount of light in the kitchen and the twin bedroom above which we occupy. In addition, the view from the upstairs windows overlooking Bank Cottage will be impeded and spoilt.

We also believe that the proposed development would be out of character with the adjoining dwellings in the immediate vicinity and with Bryher in general.

Yours

Bernard and Elizabeth White
