Dear Wayne

Just to update you that your application has been called in for a decision at the next full council. This is to take place on Thursday 11th April. The application is to be recommended for approval, subject to conditions to obscurely glaze and restrict the opening of the side facing roof light.

The meeting is public and you are able to attend and sit in the public gallery. It usually starts at 09:30 and the report will be in the reports pack, published 5 working days ahead of the meeting. The report will be available [here](#) once uploaded. If you are unable to attend then you can watch live or catch-up the meeting on [Youtube](#). We will update you on the decision once the meeting has concluded and send out the decision notice, to reflect Members decision on the day. This is usually within a few days of the meeting.

As your application expires on 15th March and we are not able to issue you a decision by this date, I would like to agree with you an extension of time on this application. This allows us to keep your application open without a decision. We will update you on the outcome of the Full Council meeting in due course. In the meantime, however, **please can you confirm you are happy to agree an Extension of Time until the Monday 15th April 2019**. I will of course aim to get the decision out to you as soon as possible after the Full Council meeting.

Your response to this email is required to confirm an agreement with this extension of time.

Many thanks
Lisa
