Dear Lisa

Following a discussion with Diana Mopoloki, Estate Director for Tresco Estate, we are happy to accept the full WSI as a pre-commencement condition on the above application. Therefore please proceed with recommending the application for approval to the Members at the May Full Council Meeting.

Yours

Dear Sam

Further to my telephone call. I'm not sure this is Lion Rock, as per the pre-app to amend the approved dwelling, but is the application to replace an existing extension with a larger extension on an existing holiday let property?

Anyway I've attached the consultation response from our Archaeological Consultant. This advises that due to the potential for buried archaeological remains a full WSI is required pre-commencement. I've attached a letter setting out our intention to recommend the suggested condition, as a pre-commencement condition.

Please do get back to me on this.

Many thanks

Lisa
