Dear Robert,

Further to the communication on the additional information requirements (Heritage Impact Assessment and Flood Risk Assessment). I wonder if you're able to update me on progress? I have a deadline of tomorrow for finalising the report for December Full Council and as such I don't currently have all the information on which to recommend this proposal. On this basis I am inclined to either finalise the report as a refusal, or we agree a further Extension of time to enable this application to be kept open and taken to Members in January? The report deadline I will be working to for the January Full Council meeting is 10/01/2019, so I would need the information ideally before Christmas or, at the latest, by the 6<sup>th</sup> January 2019. January Full Council is scheduled for 28<sup>th</sup> January 2019.

If you can get back to me  
Thanks  
Lisa
