Dear Planning Officers

We are the owners of 4 Harbour View
How is the applicant going to get material to the site. The Court Yard belonging to Harbour View must NOT be used.

Last ~~time~~ time Park View did building work they used Harbour View's Court Yard for weeks with Ships and work areas. The noise started at 8.30 in the morning and continued all day.

Our Tenant complained every day and even complained to the Council. But to no avail. So this time Harbour View's Court Yard must NOT be used at all.

The building proposed is quite horrific
P.T.O

and is not what one wants
to see on the Scilly Isles

Yours faithfully

John F & Belcher.
