Lisa , I had wondered what happened to it ? Why was there such a hold up ? Anyway I will agree to an extension and will also accept a S106 which is what I had proposed in my D&A Statement , Best wishes , Terry

Dear Terry

I am writing to advise you that the above application will be presented to Members for a decision at Full Council. The next meeting is Tuesday 17th December 2019, in the Old Wesleyan Chapel at 09:30am. I note that this application expires on the 29th November 2019. I would therefore like to agree an extension of time with you to enable us to keep this application open beyond the original 8 week determination date. I would propose an extension up to 20th December 2019. However, depending on the outcome of the full council meeting, we may need to agree a further extension. This would be in the event members are minded recommend approval subject to you entering into a Section 106 legal agreement (which is likely to be the recommendation to them). The drawing up of this document, which it can be sent out to you reasonably quickly, is often delayed by Solicitors. So we can look to update this extension once the full council meeting is concluded.

Please can you reply to this message to confirm whether you are agreeable to an Extension of time up to the 20th December 2019?

Thank you

Lisa
