14.11.2019

Dear Planning,

Ref: P/19/079/HH

In reference to your consultation letter dated 14th November 2019, we would like to write in total support of the proposal.

We believe the occupiers need to easily bring equipment and transport into their back garden would be of obvious benefit to them and no issue to us as immediate neighbours.

Kind regards

Mrs and Mrs Campbell
