Dear Mr Rogers,

Section 211 of the Town and Country Planning Act 1990: Notification of Works to Trees in a Conservation Area

REFERENCE: P/20/006/TWA
WORKS PROPOSED: Re-pollard 18 Elms along eastern boundary of property and porthloo lane to allow more light into property and reduce risk from limbs over hanging public highway.
LOCATION: Rosehill, Porthloo Lane, St Mary's, Isles of Scilly
TR21 0NE

Thank you for your notification for tree works in a Conservation Area dated 3rd February 2020. Following a site visit of the Council's Planning Officer I am writing to confirm that there is **no objection** to the above tree works. Whilst the trees hold high amenity value it is considered that the proposed works are appropriate. The Council do not intend to protect these trees further through a Tree Preservation Order (TPO).

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the trees. The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours sincerely,

Lisa Walton
Senior Officer Planning and Development Management
