Hello

That is good news.

The second bat emergence survey is happening on Wednesday so a report should be with you by the first week in July?

Thanks Diana

Dear Nick,

Just to update you, there was a good deal of debate at this mornings Full Council around the need for the swimming pool at this site. But it did ultimately get the majority of Members support and they have delegated me to issue the decision, pending the submission, and any further details as a result, of the bat surveys.

Are you able to update me on the timescales to get this further information submitted? If this is likely to go beyond the already agreed Extension of Time then I would like to agree a further EoT period.

I will wait to hear from you.

Regards
Lisa
