Dear Lisa,

The applicant agrees to the EOT until 30th June 2020 as requested.

I look forward to confirmation as to when the application will be considered at committee.

Am I right to presume that you still don't have any speaking at committee for applicant/agent?

Kind regards,
Lisa

Dear Lisa

I just wanted to update you that this application has been called-in for a decision at full council. As this is now too late to make it to the May meeting it will not be determined until the June meeting. Unfortunately dates beyond May are not yet set and it will not be until the May meeting has taken place that we will know the dates of the next years' Full Council meetings. I imagine it will be mid-late June and on this basis I would like to agree an Extension of Time to determining this application beyond the original 8-week date of 4th June.

Please can you let me know if the applicant is agreeable to an extension of time to the 30th June 2020.

We will aim to issue a decision either on the day of the meeting or as soon as reasonably practical within a few days of the meeting.

Many thanks
Lisa

Please note that currently I am working remotely and have limited access to the Council's phone network. I can pick up voicemails and will return any calls as necessary. I am not however currently holding any face-to-face meetings. If you do have a planning enquiry then please put this in writing, ideally by email.

Thanks for your patience at this time.
