Dear Mr Campbell,

Re: Post Submission Extension of Time (EoT) Request

PLANNING REFERENCE

P/20/039/HH

DEVELOPMENT PROPOSED:

Conversion of the existing greenhouse/store into a studio and addition of a workshop, with associated alterations to the exterior of the property including the addition of a porch.

LOCATION:

Trevean, Higher Town, St Martins Isles of Scilly TR25 0QL

The Council of the Isles of Scilly has adopted a development management approach to the facilitation of development proposals. In doing so it has accepted that dealing with some planning applications within the statutory timescales is not always possible given the sensitive environmental conditions. In this case I would like to enable additional time to address the matter of bat enhancement measures.

To assist in the determination of the application within a reasonable timescale we would request that you now agree to an Extension of Time (EoT) with the Local Planning Authority (LPA). This would allow the application to be kept open beyond the original 8-week deadline of **7th August 2020** (and the already agreed EoT up to the 14th September 2020). This would be at nil cost to you or the applicant but would enable the Council to keep the case open whilst maintaining a dialogue with you. We would like to agree a further EoT up to the **18th September 2020**.

If you are agreeable to an EoT then I would request that the attached is signed and returned the LPA at the Council of the Isles of Scilly, at the above address. By agreeing to an EoT with the LPA you can expect the following:

- An opportunity for ongoing dialogue and negotiation on the application;
- Further meetings with the case officer (where necessary) to resolve any outstanding planning matters;
- A revised target date with a commitment to an ongoing review; and
- A commitment from the Council to issue a decision notice within the agreed

extension of time.

Please contact me should you wish to discuss this further and we look forward to receiving your signed agreement. We would recommend that you keep a copy of this for your records.

Yours Sincerely

This Extension of Time is agreed to by the applicants and the Local Planning Authority to ensure that the outstanding matters regarding the planning application can be successfully resolved and a decision reached.

In return for agreeing to an EoT we understand that there will be:

- An opportunity for ongoing dialogue and negotiation on the application;
- Further meetings with the case officer (where necessary) to resolve any outstanding planning matters;
- A revised target date with a commitment to an ongoing review; and
- A commitment from the Council to issue a decision notice as soon as possible after the Council meeting.

There is no additional fee required for this service and it does not prejudice the applicant's ability to appeal non-determination should this become appropriate.

Whilst the LPA will endeavour to resolve all planning issues with your case nothing in this PPA shall restrict the Council of the Isles of Scilly properly exercising its role as the Local Planning Authority. Similarly, nothing in this agreement fetters the Council's statutory powers to grant or refuse planning permission.

Target Date for Issuing a Decision unless otherwise agreed: **18th September 2020**

To be filled out following agreement by both parties
