Dear Charles,

Section 211 of the Town and Country Planning Act 1990: Notification of Works to Trees in a Conservation Area

REFERENCE: P/20/058/TWA
WORKS PROPOSED: Remove deadwood and lift the crowns of approximately 65 Elm trees overhanging the South side of the main road to the west of Tremelethen Farm.
LOCATION: Land To South Of A3110, Tremelethen, St Mary's Isles of Scilly

Thank you for your notification for tree works in a Conservation Area dated 20th August 2020. Following a site visit I am writing to confirm that there is **no objection** to the above tree works. Whilst the trees hold high amenity value it is considered that the proposed works are appropriate. The Council do not intend to protect these trees further through a Tree Preservation Order (TPO).

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the tree(s). The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours sincerely,
