

BUNGALOW NO.3
TELEGRAPH
ST. MARY'S
ISLES OF SCILLY
TR 21 ONP

FOR THE ATTENTION OF THE
LOCAL PLANNING COMMITTEE.

Dear Sirs,

I understand that planning permission is being sought by Mrs. Dawn Lynn to open a Tea Garden at No. 4, Telegraph Bungalows, St. Mary's in 2021. As a next door neighbour for several years I have no objections to such a venture which could be a welcome comfort stop for visitors & the general public who toil up to this high point of the island to take in the views.

I would ask that the privacy of my own gardens at No. 3 is not compromised in any way. Otherwise, I wish the Project success in these troubled times & welcome Telegraph Tea Garden.
