Hello,

I am writing in regards to proposed planning application of The Beach, Telegraph Road.

Applicant Clifford Freeman.

For the application to extend the restaurant's kitchen I have no objections.

However I am concerned that a private business, owned by a non resident of the Islands, aims to take advantage and use part of (the public) Porthmellon Beach for trading. This I believe to be a negative step and will be surprised that the Islands Council or the Duchy of Cornwall could consider such a proposal.
