Thanks Lisa,

No problem, the EoT is acceptable.

My colleague is also about to email you a construction management plan in the hope of avoiding the requirement for a pre-commencement condition on this item.

Thanks for this and my apologies for overlooking the earlier email. I will seek to review the report submitted and get this application issued as soon as I can, in the meantime can you let me know if the applicant would agree to the EoT (given that the previous one has now lapsed)?

Thanks
Lisa

Dear Nick,

Please note the further EoT request on this one as I'm conscious the current EoT expires today and we've not yet received the outstanding surveys.

Regards

Lisa
