Dear Lisa,

As requested, I have pleasure in attaching drawing no 2136 06A and 2136 20.

2136 20 demonstrates two sections through the site and the relationship between the proposed houses and the site. Drawing 06A tells you where the sections relate to on plan. May I also suggest you look at drawing 07, Street elevations, which to the rear of the houses does demonstrate the level change in line with our site survey.

I trust this provides you with the information you require.

Very Best

Barry

Dear Barry,

Firstly please find attached a request for an extension of time. Please let me know on this, so we can update our file.

Secondly, could you give some consideration to providing sections of the development so the relationship can be fully understood with the property to the rear and the intervening footpath.

Regards

Lisa
