Hi Andrew

Planning application: P/21/041/FUL

Thank you for the update, quite by chance I found another archive image of the site from the 1930s, clearly showing the buildings. They are obviously not dwellings. Whilst researching material for my series of books on many of the 18th, 19th & 20th century residents of St Mary's, I have found no indication of any occupied dwellings whatsoever below Buzza going back to about 1800.

Lindsay Sandford.

Dear Sir/Madam,

We are writing to you as a party that made a representation in relation to the above planning application which was validated in June 2021. This application is still under consideration as further information was identified as being required before a recommendation for determination could be made by the Chief Planning Officer.

Now that the information has been received we are re-consulting with interested parties (those that made representations) for a period of 14 days until 21st July 2022. Please note that the proposed design and layout of the dwellings have not changed but there is now additional information including a Flood Risk Assessment, Heritage Impact Assessment, Preliminary Ecological Appraisal and a photo montage of the site for consideration.

All documents, plans, correspondence and representations received in relation to the application can be found on the following webpage: [P/21/041/FUL: Land at Porthcressa, Buzza Road](#). All comments previously submitted will still be considered however if you wish to revise or withdraw them you may do so up until the 21st July 2022.

If you have any questions please respond to us at planning@scilly.gov.uk.

Regards,

Andrew King
