Dear Mrs Hicks,

## Section 211 of the Town and Country Planning Act 1990: Notification of Works to Trees in a Conservation Area

**REFERENCE:** P/21/087/TWA  
**WORKS PROPOSED:** Removal of elm tree in gateway in field to rear of Theatre Club Store in order to provide clear access to agricultural field for machinery.  
**LOCATION:** Land to rear of Theatre Club Store, Holy Vale

Thank you for your notification for tree works in a Conservation Area dated 14<sup>th</sup> October 2021. I am writing to confirm that there is **no objection** to the above tree works. Whilst the tree holds good amenity value it is considered that the proposed tree removal is, in this case, acceptable. The Council do not intend to protect this tree further through a Tree Preservation Order (TPO).

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the trees. The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours sincerely,

**Lisa Walton**  
Chief Planning Officer
