

Council of the Isles of Scilly Planning Application

Ref: P/21/105/COU

Consultation Response

Date: 10th December 2021

Ref: P/21/105/COU

Site: Land To East of Connemara Chalets, Higher Town, St Martin's, Isles of Scilly

Proposal: Change of use of the land to site a shepherds hut for seasonal staff accommodation and installation of a 6kw ground-mounted solar panel array with associated inverter and battery storage.

You are being consulted on this application as you may wish to make comments before a decision is made. Should you wish to make any comments on this application, please complete the response form below and return to planning@scilly.gov.uk by 5th January 2022 or by post to the Planning Department, Town Hall, The Parade, Hugh Town, St Mary's, Isles of Scilly TR21 0LW.

Link to application: <https://www.scilly.gov.uk/planning-application/planning-application-p21105cou>

I look forward to receiving your comments in due course. If I have not heard back from you by the 5th January 2022 then I will assume you have no comments to make.

Consultee Name: Technical Officer: Environmental Health

The water supply to the shepherd's hut will be from the private water supply attached to Connemara Farm. This is a Cat 9 Comm and is already on our list for private supplies to be sampled and risk assessed for the year.

With that in mind, we have no comment at this point in time on the application. We will be in touch with the applicant directly to discuss the existing water supply.
