Thank you for consulting us on this application. We have consulted the Cornwall & Isles of Scilly Historic Environment Record in conjunction with the submitted Heritage Statement (Nick Collins April 2022) and Design and Access Statement (Purcell 2022) in relation to the proposed alteration and extension of the Grade II Listed Town Hall (NHLE 1219066).

Based on the submitted evidence, in this instance, we consider it unlikely that significant historic building fabric and buried archaeological remains will be disturbed by the proposed redevelopment of the building and the adjacent site. Therefore, no historic building or archaeological mitigation is required, and no condition is sought
