Dear Ms. Walton,

I write in support of the Planning Application P/22/033/COU to redevelop the Town Hall and create a new Museum and Cultural Centre for the islands.

This is a one-off opportunity to save the listed Town Hall and redevelop it into a much needed Cultural Centre on St Mary's. There is a small window for accessing Leveling Up and NHLF funding and this application represents our best chance of saving a much loved building combined with finding a new home for the Museum to satisfy the remaining 44 years of the lease with the Council. Personally I'm hugely excited by the plans and their potential to give new life and purpose to the building, showcasing the islands culture and history as well as allowing the much missed music, craft and performance events to resume in the Town Hall space.

This is an exciting and vital development which I urge Councillors to fully support,
Vickie Heaney
