I look forward to receiving your comments in due course. If I have not heard back from you by the 17<sup>th</sup> November 2022 then I will assume you have no comments to make.

## Comments

---

Thank you for consulting us on this application. We have consulted the Cornwall & Isles of Scilly Historic Environment Record and in this instance, due to the limited proposed groundworks, we consider it unlikely that significant archaeological remains will be disturbed by the proposed development. No archaeological mitigation is required, and therefore no archaeological condition is sought.
