## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including any change of use

The proposal is for a small-scale sculpture to be installed outside the Community Hall on St Martin's, on the paved forecourt. The sculpture will be a detailed three dimensional depiction of the moon, 1 metre in diameter, mounted on a cylindrical plinth which is 70cm high and 60cm in diameter. The plinth will be made of cast concrete painted white. The moon will be constructed from high density polyurethane foam designed for CNC routing, and finished with durable metallic paint. The moon's topography will be created in perfect detail using high resolution NASA radar imagery, and the scale will allow people to explore and touch the moon close up, including its dark side.

Has the work or change of use already started?

## Authority Employee/Member

**With respect to the Authority, is the applicant and/or agent one of the following:**

**(a) a member of staff**

**(b) an elected member**

**(c) related to a member of staff**

**(d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
