Planning Application:

With regards to a proposed office extension, I visited Richard on site about this in early 2020 I believe. Unfortunately I didn't keep a record of our response (if any) to him but I do have a site photo. Planning permission would be required for this. Below are links to the planning application forms and validation checklist (this document is a good starting point for putting together an application). If you have any proposed plans drafted up then we would be happy to advise on them prior to an application if required.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
