Site Waste Management - Plan Planning Ref. P/23/019/FUL

Project Site: Nos. 1 & 2 Porthcressa Terrace, St Mary's, Isles of Scilly TR21 OJW

Contractor: Clive Humphrey Building and Roofing,
Rowenruth, Telegraph. St Mary's, IoS, TR21 OJT.

Following removal of the existing scantle roof finish all slate will be removed to be reused where possible by contractor or crushed locally for recycling with building aggregate; all battens will be de-nailed and taken with the felt to local waste site and recycled where possible.

NB.

The replacement natural slate to be used is: 500mm x 250mm (20" x 10") Spanish slate. The new slate will be sourced by the contractor from a mainland supplier and will be shipped to the island by the IoSSCo.
