31<sup>st</sup> May 2023

Dear Mrs Greenlaw,

**Re: P/23/029/NMA: 2 Ennor Close, Old Town, St Mary's  
Non Material Amendment to approved extension (as approved under P/22/082/HH) to  
change the roof of the rear extension**

This letter is to notify you that your application registered on 3<sup>rd</sup> May 2023 for non material amendments to the approved planning permission (P/22/082/HH) have been approved in accordance with the submitted details.

The amended drawing showing the revisions:

- **Proposed Elevations ECrjg-BR-02 dated March 2023**

The amended drawing as listed above, stamped 'as approved' has been accepted as an amendment to the approved details and **these replace the following approved plans:**

- **Plan 2 Proposed Plans and Elevations Rev A (AMENDED)**

This approved amended plan shall be held on the file P/22/082/HH and form part of the approved details. Please retain a copy of this letter with the decision notice P/22/082/HH.

The development shall be carried out in accordance with the approved plans only and the details as required by the conditions attached to P/22/082/HH.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Lisa Walton'.

Lisa Walton

**Chief Planning Officer**

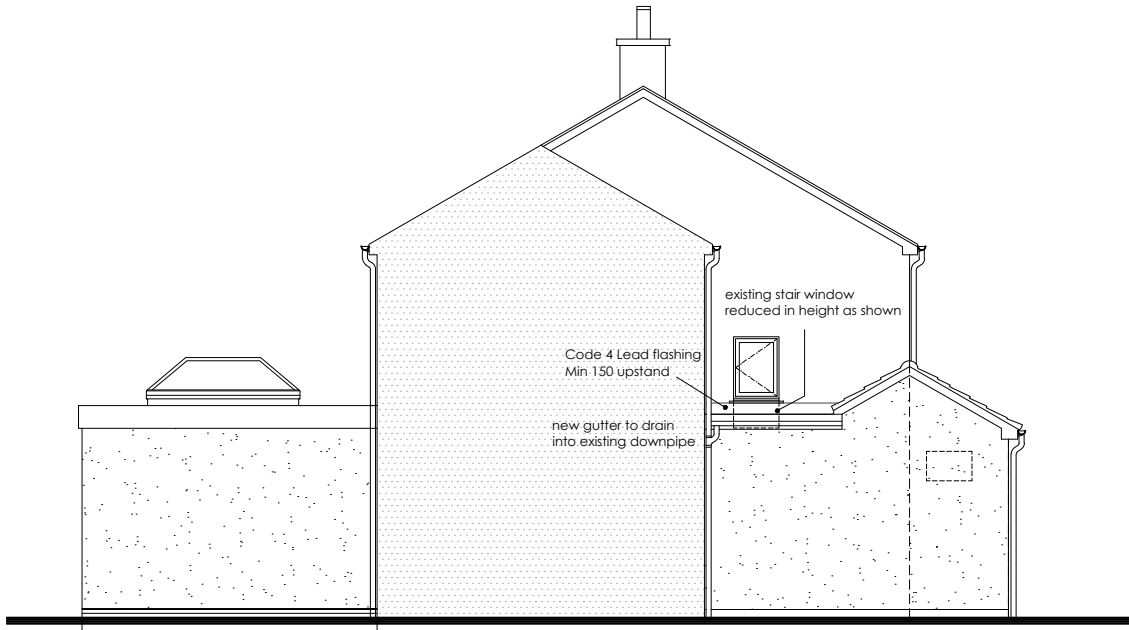

**APPROVED**  
 By Lisa Walton at 12:27 pm, May 31, 2023

NOTES:  
 This drawing is copyright. Before commencement of the works the Contractor must check and verify all building and site dimensions and levels, all relevant sewer outfalls, invert levels and connection points. Figured dimensions are to be followed in preference to scaled dimensions, and particulars are to be taken from the actual work where possible. Any discrepancy must be reported to the client immediately and before proceeding.

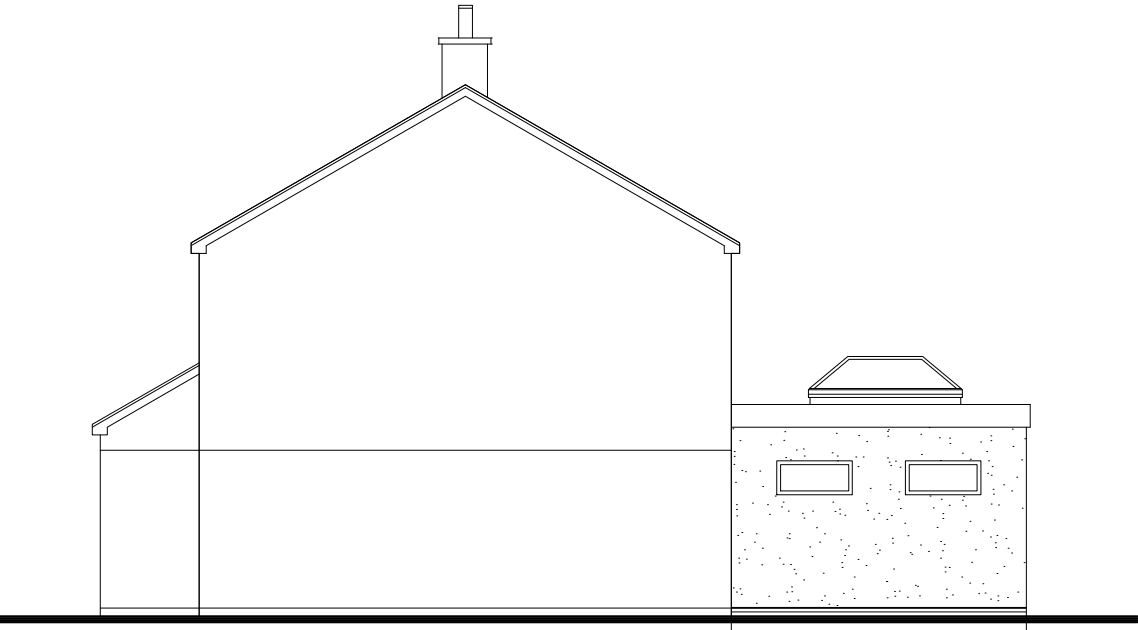

1. GENERAL  
 All materials and workmanship to comply with the recommendations and requirements of all current relevant British Standard Specifications and Codes of Practice, Building Regulations. All proprietary products to be utilised fully in accordance with the manufacturers instructions. All structural timber to be GS or SC3 grade preservative treated. The Contractor shall take into account everything necessary for the proper execution of the works, to the satisfaction of the "Inspector" whether or not included on the drawings.
